

Pre COVID-19 Vaccine Information

Our Practice has been allocated the Pfizer BioNTech/Comirnaty COVID-19 vaccine for our patients aged over 70. We have prepared this pre-vaccine pack which includes:

1. HSE Pfizer BioNTech / Comirnaty information leaflet
2. Consent Form
3. Post-Vaccine advice

Please take the time to read this information carefully and put in place any arrangements you may need to make in order to attend for your vaccinations.

Note: ALL vaccinations will be given at our Blackrock surgery.

APPOINTMENTS

- Appointments will be sent to you by **e-mail** so please ensure we have your e-mail address. You can send an e-mail to donotreply@blackrockmedicalcentre.ie stating your full name, date of birth, PPSN and home address for this purpose.
- We cannot offer a choice of appointment dates, times or location due to the strict protocols in place for the handling of each vaccine. However, you **MUST NOT ATTEND IF YOU FEEL UNWELL**. In this instance, please phone us to let us know.
- Appointments will only be scheduled a few days in advance and some appointments will be by phonecall at very short notice. Please be prepared for such an eventuality.

COMING FOR YOUR VACCINE

- Bring your **completed** Consent Form with you - your vaccine cannot be given without it.
- Wear short sleeves under your coat for quick & easy access to the vaccine site
- Wear a mask
- Please do not arrive early
- Bring a small bottle of water with you.

AFTER YOUR VACCINE

- You will need to stay at the Practice for 15 minutes immediately post-vaccine.
- Once you are at home, review the post-vaccine advice sheet.

If you have any concerns, phone us on 021 489 2996.
